This form has been prepared in accordance with Shadforth Financial group’s AML/CTF Program. The information collected with this form will be solely used for ‘know your client’ (KYC) purposes. A **Politically Exposed Person (PEP)** is a person who has been entrusted with or occupies a prominent public position or function in a government body or international organisation. The definition of a PEP also includes family members and close associates of that person (ie PEP by association).

There are three types of PEPs:

- Domestic (within Australia) (eg senior politicians / government officials, judicial and military officials)
- International Organisation (eg United Nations, FIFA)
- Foreign (outside of Australia) (eg heads of government, senior politicians and senior executives of state owned enterprises)

PEPs are considered higher risk due to their position and the potential their influence can be abused for money laundering and related predicate offences, including corruption and bribery.

- Please provide detailed answers and provide the requested documentation to all questions to minimise required follow-up.
- Enter ‘N/A’ where the question does not apply.
