# How to transfer your Shadforth Portfolio Service superannuation balance to a KiwiSaver scheme

- **Shadforth Portfolio Service – Super**
- **Shadforth Portfolio Service – Pension**

## Who can transfer?

You can apply to transfer your Shadforth Portfolio Service superannuation balance to a KiwiSaver scheme once you have left Australia, permanently emigrated to New Zealand and opened a KiwiSaver account. Retirement savings may only be transferred between a complying APRA-regulated superannuation fund such as Shadforth Portfolio Service – Super or Shadforth Portfolio Service – Pension and a KiwiSaver scheme.

There are a number of factors you should consider before transferring. We strongly recommend you speak to your financial and tax advisers before requesting a transfer.

## What is required?

If you wish to transfer your superannuation balance to a KiwiSaver scheme please complete the 'Application to transfer your Shadforth Portfolio Service superannuation balance to a KiwiSaver scheme' form on pages 2 to 4 of this document.

There are a number of support documents that are required to be attached to the 'Application to transfer your superannuation balance to a KiwiSaver scheme' form.

These include:

- A signed and witnessed statutory declaration stating that you have permanently emigrated to New Zealand. This declaration must be made before one of the persons listed (in Section E of the form) as authorised to certify documents as true copies of the original.
- A certified copy of a document issued within the past 12 months which is addressed to you at your current New Zealand address.

- Certified proof of identity documents (see Section E of the form).
- A certified copy of your KiwiSaver statement or other document showing that you have opened a KiwiSaver account.
- A statement from your KiwiSaver scheme that it will accept a payment from an Australian complying superannuation fund. This statement may be scanned and provided via email or sent by mail.

## Can you transfer part of your superannuation benefit?

As Trustee we are required to transfer 100 per cent of your superannuation benefit. No partial payments are possible.

If you hold frozen funds (also known as non-liquid schemes) within your account you will generally be unable to pay your superannuation into a KiwiSaver scheme.

## Is Australian lump sum tax deducted from transfer amounts?

No. For lump sum tax purposes, transfers to KiwiSaver accounts are treated in a similar manner to rollovers between taxed Australian complying superannuation funds.
